

Your Wedding at I Portici Hotel

Place of tales

The emotions of a truly unique experience.

Let yourself be carried away by the hospitality and expertise of I Portici Hotel, a gem of style and elegance set across the five floors of Palazzo Maccaferri, a historic 19th-century building.

A true triumph of Art Nouveau, seamlessly blended with a refined, contemporary minimalism that enhances the exclusivity of our spaces.

The Salone delle Feste, the Teatro Eden, the Terrazza Lounge, and the 14th-century La Ghiacciaia are venues rich in history and elegance. Together with our gastronomic offerings, they provide the perfect setting for your most special moments.

The 14th-century La Ghiacciaia

The former Ice House was once the large storage facility belonging to the complex of the Rocca di Galliera, also known as the “Castle of the Popes.” This imposing fortress stood at the entrance to the city of Bologna as a symbol of papal power.

In 1906, the structure was incorporated into Palazzo Maccaferri, now home to I Portici Hotel.

It can accommodate up to 20 guests.
